Our latest report to the State Central Committee contains provisions from our NFYR State Constitution, and outlines both the auxiliary group's objectives for Young Republicans in Nebraska, and the requirements for membership in the organization.

**The stated objectives of the Nebraska Federation of Young Republicans are as follows:**

- To develop Young Republican chartered organizations, to foster their growth, to supply information to these groups about organization and programs, and to stimulate interest among young people to join such organizations and the Republican Party.
- To support the principles, objectives, and platforms of the Republican Party on the local, state and national levels.
- To encourage young Republicans to seek office, and to aid in the election of Republican candidates.

**Membership in the Nebraska Federation of Young Republicans is stated as follows:**

- Members of the NFYR shall be those persons registered as members of the Republican Party, between the ages of eighteen and forty, inclusive as of the date of the Annual Convention, who are members in good standing of a chartered group.
- Young Republican organizations shall be those groups of Young Republicans in the State of Nebraska, which have been chartered by the NFYR. There shall be no more than one such group chartered in any city or town.
- Young Republican organizations may have Associate Members without regard to age, but such members shall neither vote nor hold office in such groups.
- At-large Members of the NFYR shall be those persons registered as members in the Republican Party, between the ages of eighteen and forty, inclusive as of the date of the Annual Convention, who reside within the State of Nebraska, in a county where no other Young Republican group is formed, and who are not current Members of another Young Republican chartered organization.
